PRACTICE STAFF

Practice Manager Mrs Julie Fraser

Practice Nurses Str Sue Wong RGN BSc
 Str Sian Lia RGN
 Str Laura Harley RGN

Health Visitors, District Nurse, Community Midwife,
Counsellor, Smoking Counsellor, Reception Staff.

We are a training practice for doctors specialising in general practice. These doctors will be working at the practice from time to time.

You may also find that medical school students will occasionally observe a consultation. You will be informed in advance and if you are not happy with this, please do not hesitate to tell the reception staff.

REGISTRATION

Generally we will only accept patients living within our defined practice area; details are available in reception and on our practice website. New patients registering with the practice will be asked to complete a “Health Questionnaire” and will be invited to have a simple medical if you are on any repeat medication.

Patients are registered with the practice, rather than an individual doctor. However, patients can express a preference of practitioner. We will try to comply with your request, but it might not always be possible, in which case we will explain the reasons.

In addition if you are unable to attend the surgery for a health check because of your medical condition a home visit may be arranged

We ask you for personal information to enable us to give you the very best care and treatment. This information is recorded on the computer and we are registered under the Data Protection Act. All members of staff are bound by strict rules of confidentiality.

HOW TO SEE THE DOCTOR

We operate a same day access surgery every morning (limited appointments available). Please contact reception for an allocated time. Afternoon surgery is by appointment only with times ranging from 2.30-5.20. Wednesday & Friday afternoon surgery is reserved for medical emergencies & runs from 3.45-5.30pm.

If you cannot keep your appointment, please let us know.

If the doors are closed & you need to speak to a doctor between 8am & 6.30pm, you should ring 20739999 & a message will give information on how to do this.

If you wish to speak to the Doctor on the telephone, this is possible at the end of surgeries around 11.30 a.m. but please tell the Receptionist the nature of your call if possible.

HOME VISITS

HOME VISITS ARE FOR THOSE WHO ARE TOO ILL TO ATTEND SURGERY AND FOR PROBLEMS THAT WILL NOT WAIT. Please try to telephone before 10.30 a.m.

OUT OF HOURS

When the surgery is closed always ring the Practice telephone number first. A recorded message will tell you how you can contact a Doctor. Please listen to the **whole** message. The Practice's Out of Hours cover will be undertaken by Cardiff & Vale University Health Board.

General medical advice can be obtained from NHS Direct on 0845 46 47/ www.nhsdirect.wales.nhs.uk

REPEAT PRESCRIBING

All repeat prescriptions, which are authorised by the Doctors, are issued by computer. To obtain a repeat prescription please leave the request slip issued with every prescription at Reception or alternatively you may post or fax your request to us.

REPEAT PRESCRIPTIONS WILL BE READY FOR COLLECTION 48 HRS AFTER WE RECEIVE THEM.
Please do not telephone for repeat prescriptions.

RESULTS

The Receptionist will be able to give you results of investigations after 2.00 pm, either at the counter or by telephone.

ON-LINE SERVICES

You can now make appointments and order repeat prescriptions on-line. Please ask at reception for a registration form.

The practice also offers appointment reminders via text message; if you would like to be part of this service please ensure that we always have the most up to date mobile number.

SUGGESTION AND COMPLAINTS

We operate a Practice Complaints Procedure as part of the NHS Wales Putting Things Right policy for dealing with complaints. The Complaints Leaflet gives details of the procedure and is available from Reception. Our aim is to give the highest possible standard of service and we try to deal swiftly with any problems that may occur.

Special Services Available

CONTRACEPTION

We offer a full range of family planning services including coil and cap fitting, pill advice, implants, Depot injections, and advice on male and female sterilisation and pregnancy counselling.

If EMERGENCY Contraception is required, contact the Practice as soon as possible and the Receptionist will arrange an appointment for you as soon as it is convenient.
